East Ham's War Memorial.

The names of over 2,000 local men who gave their lives in the Great War, are publicly recorded on bronze panels in the Entrance Hall of this Hospital.

Is it possible to conceive a more fitting manner in which to perpetuate their memory?

If you lost a near, or dear one, why not commemorate the occasion by sending an Annual Subscription?

The Rt. Hon. BARON BETHELL OF ROMFORD.

The President of the Hospital.

THIRTY-FOURTH ANNUAL REPORT OF THE GENERAL COMMITTEE FOR THE YEAR 1935.

The General Committee begs to submit to the Governors, Donors, and Subscribers, its Report for the year ended 31st December, 1935.

Since the issue of the last Annual Report, the Country and the Empire have suffered a sad and heavy loss in the death of our beloved King George V. As Patron of King Edward's Hospital Fund, His Majesty was always deeply interested in the welfare of the Voluntary Hospitals, and the Committee, in expressing its loyalty, and its sympathy with His Majesty King Edward VIII., Her Majesty Queen Mary, and the members of the Royal Family, is at the same time thankful that King George was spared to celebrate his Silver Jubilee, and to see, and to feel on that occasion how close a place he had won in the hearts of his people.

God Save the King.

His Majesty
King George
V.

It is with deep regret that the Committee records the deaths, during the year, of Mrs. G. P. Dean and Mrs. Frank Smith, Life Governors; Mr. G. Kitchener and Mr. J. R. Wilson, Foundation Governors; Mr. E. J. Hudson and Alderman E. H. Thompson, Annual Subscribers, and of the Rt. Hon. Lord Bridgeman, and Mr. W. H. Tomlinson. The loss of these good friends is deplored, and the Committee extends its sympathy and condolences to the relatives of these Ladies and Gentlemen.

Obituary.

The Committee tenders its hearty congratulations to Mr. E. Keenan on his being presented with the Freedom of the Borough, and to Cr. G. W. Boulwood, J.P., Mr. O. T. Dinnick, F.R.C.S., Mr. Frank R. Pratt, and Mr. A. H. Wiseman, J.P., on their recovery from illness.

Committee.

The Committee wishes to place on record its warm appreciation of the services rendered to the Hospital by Mr. H. J. Clark and Mr. S. J. Mace while members of the Governing Body. The resignation of Mr. Mace, owing to removal from the district, was accepted with much regret, and the vacancy on the Committee thus caused was filled by the election of Mr. R. Robertson.

In accordance with the Charter and Bye-Laws, the following gentlemen were co-opted as members of the General Committee :—

Dr. Maurice E. Shaw	} representatives of the Honorary Medical Staff.
Mr. G. J. O. Bridgeman, F.R.C.S.	
Mr. O. T. Dinnick, F.R.C.S.	
His Worship the Mayor, Ald. J. J. Pope, J.P.	} representatives of the East Ham Corporation.
Chairman of the Public Health Committee,	
Ald. E. F. Markey	
Chairman of the Public Assistance Committee,	
Cr. H. Restarick	

Jubilee
Appeal.

At the Annual General Meeting of Governors held on the 27th March, the President, Lord Bethell, launched an appeal to raise £18,000; the sum required to free the Hospital of debt. To commemorate the Silver Jubilee of His Majesty King George V., His Lordship offered to provide £9,000 on the condition that the people of East Ham raised a similar amount. An Appeal Committee was immediately formed, and through the efforts of Mr. W. G. Davie, J.P., and Mr. F. J. Leathers, Lord Inchcape kindly consented to be Chairman. His Worship the Mayor, Ald. T. W. Burden, J.P., was elected Vice-Chairman. Nearly 33,000 letters, over the signature of Lord Inchcape, asking for support for the Appeal were circulated; over 31,000 within the Borough. The response was magnificent, and at the 31st December, £7,200 had been received, which together with £7,000 received from the President, made a total of £14,200; leaving only £1,800 to be raised to secure a further £2,000 from Lord Bethell, and so free the Hospital from debt. The raising of this large sum has enabled the deficits of £3,282 11s. 4d. on the Old Buildings, and £2,499 10s. 7d. on the Nurses' Home to be cleared; the deficit of £2,296 4s. 6d. on the General Fund to be turned into a surplus of £18 1s. 7d., and the deficit on the New Buildings to be reduced from £9,734 12s. 11d. to £3,800.

The Committee finds it impossible to express with adequacy, its gratitude to Lord Bethell for his extreme generosity, which alone made this effort possible; he has earned the heartfelt thanks, not only of everyone connected with the Hospital, but of every resident in the Borough which the Hospital serves. By far the larger proportion of the money raised came from outside the Borough, and it is the Committee's one regret that His Lordship's generous offer did not meet with a greater response from East Ham.

The Committee is deeply grateful to Lord Inchcape, firstly, for undertaking the task of raising £9,000; secondly, for actually raising £7,200; and thirdly, for his own generous contribution.

The Committee is also very grateful to Mr. F. J. Leathers for having secured the services of Lord Inchcape as Chairman of the Appeal Committee, for the help he has rendered

His Lordship in connection with the Appeal, and for his very kind generosity.

The Committee also tenders its sincere thanks to His Worship the Mayor, Ald. T. W. Burden, J.P., for the valuable services he rendered as Vice-Chairman of the Appeal Committee, and to all those who contributed to the Appeal, with special mention of the following liberal gifts :—

In recognition of the exceptional services rendered to Vice-Patrons, the Hospital by Lord Inchcape, Lord Waring, and Mr. Leathers, the Committee invited them to become Vice-Patrons. Their Lordships and Mr. Leathers very kindly accepted the invitation, and the Committee thanks them sincerely for so associating their names with the Hospital.

Work of
the Year.

The call upon the services of the Hospital once again shows an increase on the preceding year.

	1935	1934
Average number of Beds occupied daily	95·4	92·7
Number of Patients admitted	1,527	1,491
Number of New Out-Patients	12,957	10,966
Number of Out-Patient Attendances	72,407	70,880
Number of Operations	2,320	2,064
Number of X-Ray Exposures	9,934	7,423
Number of Massage and Electrical Treatments ...	31,095	32,847
Number of Pathological Examinations	3,436	3,405

The bed complement of the Hospital throughout the year was 100, of which a daily average of 1·2 was closed owing to infection, leaving a daily average of 98·8 available for the use of patients. The average numbers of beds occupied daily was 95·4, representing 96·6 per cent. of available beds, as compared with 94·3 per cent. for the previous year. On 79 occasions during the year there were 100 or more patients resident in the Hospital, whilst on the 24th March there were actually 104 patients in the Wards. The admission of 4 patients over and above the normal complement of 100 was made possible by the provision of 3 additional emergency Beds, making a total of 4 now available for very urgent cases. The work in the Out-Patient Department still continues to increase, the number of new Out-Patients, and the number of Out-Patient Attendances during the year being 1991 and 1527 respectively in excess of the number for the year 1934. Of the total number of Patients treated throughout the year, 72·4 per cent. were residents of East Ham, 10 per cent. West Ham, 4·9 per cent. Barking, 1·9 per cent. Ilford, ·2 per cent. Wanstead, and 10·6 per cent. Other Places. It is interesting to record that the number of Beds occupied daily, and the number of Out-Patient Attendances during the year, are the highest in the history of the Hospital.

Income.

The Committee is pleased to report that the General Fund Income for the year reached the record figure of £22,414 3s. 8d., and exceeded the Expenditure for the year by £2,314 6s. 1d.

	1935			1934

The above comparative figures for the past two years show increases of £1,560 7s. 1d. under the heading of Donations, and £1,207 4s. 7d. under the heading of Patients and their Societies, etc., for the year under review. Included, however, in the figure under the former heading is the sum of £2,261 17s. 0d.; the proportion of the Jubilee Appeal allocated to this Fund. The increase under the latter heading is mainly due to the receipts from the Hospital Saving Association being £965 17s. 11d. in excess of the previous year. In placing on record its sincere thanks to all those loyal friends who have contributed to this Fund, the Committee would make special reference to the following generous Donors :—

The Income on the Buildings and Equipment Fund, amounted to £11,938 13s. 4d.; the proportion of the Jubilee Appeal allocated to this Fund.

The Endowment Fund Income for the year amounted to £50; a further Donation from the Rotary Club of East Ham, on account of the endowment of the "Ernest Edwards Cot". The Committee tenders its warm thanks to the Rotarians of East Ham for their very welcome support.

It is again interesting to record that the total Income for the year reached the figure of £34,402 17s. 0d., the highest amount ever received by the Hospital in one year.

The General Fund Expenditure for the year totalled £20,099 17s. 7d., and as will be seen from the following comparative figures, shows an increase of £739 2s. 2d. as compared with the year 1934.

Expenditure.

						1935			1934		
						£	s.	d.	£	s.	d.
Provisions	3,669	11	7	3,538	15	4
Surgery and Dispensary	3,078	16	10	2,520	3	8

Finance	1,345	16	1	1,347	8	5
						£20,099 17 7			£19,360 15 5		

The total increase of £739 2s. 2d. is mainly due to an increase of £558 13s. 2d. under the heading of Surgery and Dispensary. Expenditure of £303 9s. 10d. on Instruments, and £191 7s. 7d. on Drugs, in excess of the previous year, is responsible; and is a reflection of the record amount of work accomplished during the year. At the 31st December, 1935, there was a surplus of £18 1s. 7d. on this Fund.

The Buildings and Equipment Fund Expenditure amounted to £221 18s. 6d. and included the cost of a Medical Diathermy Apparatus, a Basal Metabolism Apparatus, three additional Emergency Beds and their equipment, and the cost of tiling the walls of the Main Kitchen. The Deficit on this Fund at the 31st December, 1935, was £3,800.

The Endowment Fund Expenditure during the year, was £502 16s. 6d., the cost of securing 11 Edith Road, a Freehold property immediately adjoining the Hospital. The balance in hand on this Fund at the 31st December, 1935, was £55 8s. 3d.

Working
Costs.

The Working Costs, as compared with the previous year are as follows:—

						1935			1934		
						£	s.	d.	£	s.	d.
IN-PATIENTS:											
Statistical cost per week	2	15	3	2	17	0
Total cost per week	3	0	1	3	1	7
OUT-PATIENT:											
						1935			1934		
						pence			pence		
Statistical cost per attendance	15·54			13·90		
Total cost per attendance	17·06			15·18		

The total cost of each In-Patient per week shows a further reduction of 1s. 6d. as compared with 1934, and a reduction of no less than £1 1s. 3d. as compared with the year 1929.

The total cost of each Out-Patient attendance has increased by 1·88 pence during the year, but still shows a reduction of ·14 pence as compared with the year 1929; the first year of work as a General Hospital.

The Committee is very pleased to report that King Edward's Hospital Fund's Statistical Summary for 1934 reveals the fact that out of the 9 Hospitals in Group 4, this Hospital occupied eighth place in order of cost, for the second year in succession.

The Nurses' Examination results for the year were again very satisfactory, and speak highly of the training received at the Hospital.

Hospital Preliminary Examination ...	9 entered	9 passed
Hospital Final Examination	10 entered	10 passed
State Preliminary Examination ...	3 entered	3 passed
State Final Examination	9 entered	5 passed
(3 results not yet known)		

It is with the greatest pleasure that the Committee refers to the very cordial relationship that exists between the Corporation and the Hospital. His Worship the Mayor, the Members of the Corporation and its Chief Officers, have rendered yeoman service to the Hospital throughout the year. The Committee is deeply grateful to His Worship for the interest that is taken in the work of the Hospital; for the Grant of £3,000 on account of services to patients for whom the Corporation is responsible, and for the Grant of £1,000 under the Sunday Entertainments Act.

The Mayoress, Mrs. T. W. Burden, kindly undertook the Sixth Annual Pound Week Appeal. The response was magnificent, the Hospital receiving 15,337 lbs. of Household goods, valued at £199 8s. 6d., and Donations amounting to £11 5s. 2d.; record figures for this annual effort. The Committee is most grateful to Mrs. Burden for this splendid result, also to the Children and the Parents of East Ham who supported the Mayoress so enthusiastically. Thirty-three tons of goods, valued at £1,075 14s. 7d. is the total amount now received from this Annual Appeal.

The Committee is extremely grateful to King Edward's Hospital Fund for its generous support. Grants of £2,475 to the General Fund, and £250 to the Buildings and Equipment Fund, during the year, bring the total amounts now received from the Fund to £16,869 and £23,590 respectively. Mr. W. Girling Ball, F.R.C.S., and Captain the Hon.

Arthur Lowther, visited the Hospital on the 5th July, on behalf of the Fund.

Linen
League.

Linen to the value of £277 4s. 9d. was supplied to the Hospital during the year by the Linen League and its Manor Park Branch, thus bringing the total value of Linen supplied since the foundation of the League, to £4,538 1s. 0d. The Committee offers its warm appreciation and thanks to all those Ladies who strive so perseveringly to meet the requirements of the Hospital.

Welfare
Society.

The Welfare Society's contribution during the year was £500 to the General Fund, and £250 to the Jubilee Appeal Fund, making a total of £8,350 since its inception. This is a magnificent achievement, and the Committee tenders its heartfelt thanks to all those whose efforts have made it possible.

Ladies' Aid
Committee.

The sincere thanks of the Committee are due to the Ladies' Aid Committee, for Donations of £100 to the General Fund, and £100 to the Jubilee Appeal Fund, during the year. A total of £5,650 has now been received from this Committee since 1927; a figure which itself testifies as to the enthusiasm of these Ladies.

Schools'
Hospital and
Nursing
Fund.

In addition to the annual contribution of £200 to the General Fund, the East Ham Schools' Hospital and Nursing Fund was able to make a similar Donation to the Jubilee Appeal Fund during the year. The Committee is very grateful for these generous Donations, and for the support that has been rendered by the Fund for so many years, and which now totals £7,795.

Football Cup
Competition.

The Committee is most appreciative of the continued efforts of the East Ham Memorial Hospital Football Cup Competition on behalf of the Hospital. A Donation of £26 5s. 0d. during the year brought its total contributions to £902 5s. 0d.

British
Medical
Association.

The Committee is pleased to report that the members of the Stratford Division of the British Medical Association visited the Hospital on the 15th February, and would take this opportunity of expressing to all Local Practitioners its appreciation of their co-operation with the Hospital, and its hope that they will make full use of the Psychiatric Department which was opened during the year.

Medical
Staff.

It is with much regret that the Committee has to report the resignations of Dr. H. W. Gordon, Honorary Dermatologist; Dr. G. Hochschild, Anaesthetist; and Dr. J.

Spencer, Pathologist. The Committee thanks these Gentlemen sincerely for the valuable services they have rendered the Hospital and wishes them every success. The following new, and additional appointments have been made:—

Dr. G. Duckworth, Honorary Dermatologist.
 Dr. R. Ström-Olsen, Honorary Psychiatrist.
 Dr. V. F. Hall, Anaesthetist.
 Dr. G. H. Dodds, Clinical Assistant, Gynaecological Department.
 Dr. S. M. Coleman, Clinical Assistant, Psychiatric Department.
 Dr. H. E. Bonnell, Pathologist.

The Committee would take this opportunity of expressing its deep gratitude to all the members of the Honorary Medical Staff for the time and skill they give so willingly to the Hospital.

The Committee also tenders its grateful thanks to:— Thanks.

Mr. John Davis, Honorary Solicitor.
 Mr. Dudley H. Pratt, B.A., F.C.A., Honorary Auditor.
 The Rev. Charles E. Butterfield } Honorary Chaplains.
 The Rev. W. E. Allen }
 Mrs. R. W. Moger, Honorary Librarian.
 Mr. T. H. Mather, Chief Officer, East Ham Fire Brigade.
 The East Ham Memorial Hospital Thursday Football Cup Competition.
 The British Red Cross Society, Blood Transfusion Service.
 The Subscribers to the Matron's Christmas Fund.
 The Donors of Gifts in Kind.
 The Editors of the Local Newspapers.
 The Managers of the Local Cinemas.
 The Anaesthetists, Clinical Assistants, Pathologist, and Resident Medical Staff.
 The Matron, Nursing, and Domestic Staffs.
 The Secretary, and Administrative Staff.

The year 1935 will stand out in the history of the Hospital as momentous. A total Income of £34,402 17s.; an average of 95·4 Beds occupied daily; 72,407 Out-Patient Attendances—all records for any one year. A General Fund deficit of £2,296 4s. 6d. turned into a surplus of £18 1s. 7d.; a Buildings and Equipment Fund deficit reduced from £15,516 14s. 10d. to £3,800—both magnificent efforts. Conclusion.

It is true that much has been accomplished! It is equally true that much remains to be accomplished.

In its Report for 1934, the Committee drew attention to the fact that the accommodation, both for In-Patients and Out-Patients was quite inadequate, and that if the further and ever-increasing needs of the public were to be met, a scheme of extension would be absolutely imperative.

These facts are significant and command attention; but a scheme of extension capable of meeting these needs would mean a large capital outlay. The completed scheme would also mean additional funds for maintenance. Would these funds be forthcoming?

The Committee trusts that when the time comes for extension, they will be forthcoming, and so make it possible for the Hospital to carry out, in an even greater degree, its service to humanity.

“The future is yours, and is your high responsibility.”

On behalf of the General Committee,

NOBLE A. PAPWORTH, Chairman.

PLAN OF HOSPITAL SITE.

LETTERS OF APPRECIATION.

Extracts from letters received from Patients during the year.

F.J.—“Having been discharged from our Memorial Hospital after three weeks treatment for dislocated and badly bruised shoulders, I feel I must write and ask you to convey my best thanks to the Staff of the Out-Patient Department for their kind and sympathetic treatment. Within five minutes of entering the Hospital, the dislocation of my shoulder had been reduced, thanks to the prompt services of your excellent Doctor. I have in the past devoted a lot of my time to raising money for our Hospital and having now had practical experience of the excellent work being done there, you may rest assured that my efforts in the future will certainly not be less than in the past.”

M.H.M.—“I have recently been a Patient in “D” Ward of the Memorial Hospital and I should like to express to you my appreciation of the kindly care and attention that I received from every one of the Staff. I enjoyed my food, the good cooking and the way the meals were served. This, together with the peaceful and happy atmosphere that pervades the ward, helps in no small measure to the success of the Surgeon’s skill. It is not many months since I was discharged from a neighbouring hospital after twenty months as an In-Patient. Comparisons are odious, so we are told, but I could wish that my experiences there were untinged with any nightmarish recollections, and as happy a memory as my brief stay at the Memorial Hospital.”

R.G.C.—“Will you please accept and convey to your committee, my sincere thanks and appreciation for the care and attention which I received whilst a patient in “A” Ward, and which I am still receiving as an Out-Patient for the remainder of my treatment. I cannot speak too highly of the untiring efforts of the Sisters and Nurses, both day and night, for the comfort of the patients, their cheerful and kindly manner at all times does much to help one to better health. The close attention paid to each patient by the Physicians and Surgeons deserves any praise that is due, and I feel that your Committee is to be congratulated on having such an efficient staff. I trust that future patients will be as satisfied.”

E.M.P.—“Having spent nine weeks as a patient in the East Ham Memorial Hospital, I feel it my duty to express my sincere gratitude to the Medical Staff, Matron and Nursing Staff of “B” Ward, for the kindness and attention shown me throughout that period.”

J.A.—“May I offer my sincere thanks to the Hospital and all who were so kind and attentive to me whilst an Out-Patient and an In-Patient during the past twelve months. My special thanks to the Ophthalmic Department, Sister and Nurses of the Out-Patient Department, Massage Department and Sister and Nurses of “D” Ward, and last but by no means least, Night Sister and Nurses whose care and attention meant so much during the sleepless nights.”

J.V.—“As the distance is too far and I cannot attend personally, I would like you to express to the Doctors and Matron of the Hospital my sincere gratitude. They will remember my case in “C” Ward. I do feel that I owe the return of my physical health to their wonderful Surgical skill and kindly nursing. I should like to have attended personally for the Hospital to have seen how wonderfully I have recovered, but must again repeat my reason of distance and weather conditions. My heartfelt thanks.”

M.J.—“I can honestly say that if I was in the position I would be the first one to help and if any time my luck changes I will be the first one to help the East Ham Memorial Hospital, as I can say from my heart that the treatment from the Doctors and Nurses was most wonderful both in attention and also in kindness, and I am very sure that one will have to go a long way to find a Hospital like East Ham’s.”

Report and Statement of Accounts for the year ended 31st December, 1935.

In presenting the Tenth Annual Report, the Executive Committee are pleased to state that the Collections during the year amounted to more than those of last year. The total for the year was £716 4s. 11d., and the Ward totals for the year, and for the nine years up to the 31st December, 1935, are as follows:—

					Year 1935.	9 years to 31st December, 1935.

					<hr/>					

The year's total was £102 19s. 2d. more than that of the previous year, and a considerable part of the increase can be attributed to the institution of "Home" Boxes referred to in last year's Report. In all but two of the Wards the amounts collected exceeded last year's totals for those Wards and the Committee feel that the "Home" Box system after a year's trial has amply justified its adoption as an auxiliary to the House to House Collection of one penny per week.

The Committee feel entitled to say that the Society is undoubtedly one of the best sources of income to the Hospital. The payments towards the Hospital's maintenance, which at the commencement of the year amounted to £7,600 were increased by £750, and it is certain that the £8,350 with which the Hospital has thus been provided, during a period of six years, has been of immense value and contributed towards the increased facilities and improvements there in recent years and it is very gratifying to record that the Society was able to hand over £150 more than last year.

From the appended Statement of Accounts it will be seen that at the end of the year the Society had £21 1s. 11d. in hand on the Collection Account, that amount being the difference between the total of the Society's collections as in the foregoing Statement and the £8,350 paid to the Hospital, which shows that there has been strict adherence to the Society's principle that no part of the collections shall be used for expenses. The Committee think that this feature, combined with the fact that there are no paid officials or collectors, justifies a claim that the work of the Society

has continued to be meritorious, even though less successful than formerly.

The Committee are aware that there are still a number of members obtaining very satisfactory results by collecting regularly each week with the House-to-House Boxes, and they wish to encourage, rather than discourage, that method of collecting, but, because it seems to be impossible to get a sufficient number of House-to-House collectors, they have come to the conclusion that real improvement in the collections cannot be expected unless the Society can raise a substantial amount by means of the "Home" Boxes.

Turning to the Working Expenses side of the financial affairs of the Society, the Statement of Accounts shows, in the No. 1 Account, that there was a considerable excess of expenditure over income, due to a great drop in the profits from Social Events. The Donations, however, show a substantial increase.

The state of the Samaritan Fund is regarded by the Committee as quite satisfactory. During the year certain small grants were made but fortunately the necessity for making grants from it has arisen only infrequently and the balance in hand is therefore sufficient to enable the Society to continue to carry out the object for which the Fund was established, namely to give a little assistance to any member whose circumstances may require it.

The Society's arrangement with the Hospital for free treatment of contributors to the collections when that is desirable, is also one of which advantage is rarely taken, but the Committee are anxious that collectors and contributors should not lose sight of this benefit which can be obtained through the Society.

In making the usual reference to the Hospital and its work, the Committee are glad to be able to say that, as in 1934, there was no deficiency on the maintenance account and they are pleased to be able to think that some credit for this is due to the Society. They are also glad to be able to say that improvements at the Hospital have continued, but the work there has increased to an extent which, particularly in the case of the Out-Patients' Department, makes it very necessary that there should be further improvements and extensions if complete and efficient service are to be ensured.

In reviewing the social events of the year, the Committee feel that the New Year's Party (a successful innovation in 1933), the Annual Dinner and the Outing to Danbury were very happy and enjoyable annual events and always looked forward to by the

members. The Committee derived great pleasure and satisfaction in the knowledge that the Society's Chairman, Mr. A. H. Wiseman, J.P., recovered from his serious illness (in the early part of the year) and was able to join the members at the Outing and later events of the year at which it was evident he had lost none of his everlasting geniality.

The Society and Greatfield Ward in particular has sustained an irreparable loss by the removal from the District of Mr. S. J. Mace, for many years Chairman of the House-to-House Collection Committee and a supervisor of Greatfield Ward. His untiring energy as a collector and his valuable assistance as a member of the Executive and Finance Committees has done much to uphold and maintain the prestige of the Society, and in recognition of his long and valuable services the members of the various Committees by personal contributions, presented him with a suitable token of their appreciation.

To the artistes and to other friends of the Society who contributed towards the success of the various social functions the Committee express their gratitude, and they thank all those who are shown by the Accounts to have given donations to the Working Fund, the General Committee of the Hospital for the use of the Board Room for Meetings, the Chairman of the Hospital, Mr. N. A. Papworth, J.P., for his interest in and appreciation of the work of the Society and the "Stratford Express" and "East Ham Echo" for services in the form of publicity.

The Committee desire to assure the contributors to the collections that their support is highly valued and appreciated, and that its continuance is solicited with the hope that it will be given on the ground that the Society has deserved it by the help it has succeeded in giving to the Hospital.

The Committee find it difficult to adequately express their thanks to the Collectors, for they recognise that their share in the work of the Society is *the* vital part of it. They desire to assure all the collectors that they and the Hospital Committee are very grateful for their help and they trust all collectors will feel that they should continue their splendid work which in the past has been the means of doing so much good. The Committee are also grateful to the Ward Organisers and their Supervisors for their services in positions which at times must seem to be both difficult and discouraging, and they hope that by their further efforts, the Organisers and Supervisors will achieve such success as will dispel the feelings of difficulty and discouragement.

To the members of the subsidiary Committees and to the Officers, the Committee also express their thanks, especially to the Social Committee, the Catering Committee, the Hon. Financial Secretary (Mr. F. W. Day), and the Hon. Secretary (Mr. A. L. Waller) and that tribute is especially applicable in the case of the Hon. Secretary, who continued to devote a great deal of his time and to take endless trouble to further the interests of the Society and to do all the work which is entailed by his position.

Report and Statement of Accounts for the year ended 31st January, 1936.

It is with great pleasure that I present our Tenth Annual Report. I feel we have had a very successful year of work both socially and financially.

In response to the special Jubilee Appeal to free the Hospital from Debt, we were enabled, through the wholehearted co-operation of all the members of the Committee, to donate to this special fund no less a sum than £100. In addition to this, we have handed a cheque of £100 to the General Fund of the Hospital, together making a total of £200.

During the year a series of Whist and Bridge Drives were held, the receipts amounting to £89 18s. 9d., which is certainly most gratifying, and the support given, most encouraging.

Our thanks are due to our friends who have so kindly donated to the prizes so willingly.

Our American Tea, held in June, was once again a great success, and we wish to thank the Management Committee of the Hospital for the loan of the magnificent grounds, and the

weather too was a real tropical summer's day. We realised over £30 on this effort.

Our Annual Dance, held in March, was a wonderful success, owing to the generous support and co-operation of the whole Committee and our various friends. We noticed in the gathering, the President of the Hospital, Lord Bethell, accompanied by Lady Bethell, His Worship the Mayor of East Ham, and Mayoress, the Members of Parliament, Lt. Col. Mayhew and Mrs. Mayhew, Mr. and Mrs. Campbell Johnston, the Chairman and Members of the Management Committee, and a whole host of local supporters of the Hospital. Another very pleasing feature is the increase in the collection of Victorian coppers from 9/4 last year to £5 6s. 5d. this year.

It is with extreme regret that I refer to our severe loss in the death of Mrs. Frank Smith, who was the first Treasurer of this Committee and a staunch helper of the Hospital.

In conclusion may I take this opportunity of thanking the whole of the Ladies' Aid Committee for their whole-hearted support and co-operation and splendid team work, which is the secret of our success.

The *Total* sum we have been able to hand over to the Hospital is £5,650.

G. M. BOULTWOOD,

Honorary Secretary.

Report and Statement of Accounts for the year ended 31st December, 1935.

The Annual Meeting of 1935 opened with less happiness owing to the absence of the esteemed President. Mrs. Cahill had been far from well many weeks prior to February 26th, but with her customary devotion to duty in general, and to the Linen League in particular, she made every preparation for the meeting, fully intending to share with the members the mutual joy of being in the chair. Veritably at the eleventh hour however, she had to resign herself to the inevitable, and Mrs. Poulten, the Vice-President, took the chair. Perhaps nobody but Mrs. Poulten could have succeeded in raising the spirits of the disappointed audience; she was so bright and sunny, a real live wire, in short, just herself, and as a result everybody thoroughly enjoyed the speeches and musical interludes, voting the meeting a real success, in spite of the absence of the President, who, I am pleased to say, is restored to health again.

Mrs. Poulten was supported on the platform by the Mayor and Mayoress (Mr. and Mrs. Burden), the Chairman of the Hospital (Mr. Papworth), Mrs. Papworth, the Vice-Chairman (Mr. Sutton), Matron, the Chairman of the Hospital House Committee (Mr. Homewood), the Secretary (Mr. Perry), the Treasurer (Mr. Cahill) and the officers of the Manor Park Branch.

Mrs. Poulten moved and Mrs. Bardsley-Cragg seconded the adoption of the Report, which was carried unanimously.

Music and singing was contributed by Mrs. Read, Miss Gladys Ripley, Mrs. Ablitt and Miss Morgan, and the Committee served the usual delightful tea.

The Annual Excursion in June was this year spent at Folkestone. After a drive down in the glorious sunshine, the day was somewhat marred by a very bad thunderstorm.

During the year the Social Committee ran two very successful Whist Drives in the Hospital Grounds. The Clerk of the weather was very kind to us and in this connection we thank the Hospital Committee for the loan of the Hospital grounds, thereby helping us to add £13 5s. to our funds.

Much praise and thanks are due to Mrs. Poulten and Mrs. Lunn for their private efforts in running whist drives at their homes, also to Mrs. H. Williams and her family for organising a Xmas Poultry Drive in December and so handing over a substantial sum to swell the funds, not forgetting members and their friends who so kindly gave prizes and supported them.

The Social Committee held two very successful Socials, one in March and another in October. The attendance was large and the Committee are heartily thanked for the splendid evenings they arranged.

Mrs. Campbell, who was Honorary Secretary for a short time, did yeoman service, adding much to the success of the Linen League last year and particularly at the Annual Meeting, was obliged to resign her position in July and return to Scotland, her homeland.

The Committee tenders its warmest thanks and appreciation to Miss Olley, our Treasurer. Her resignation, due to ill-health, was accepted with much regret. Mrs. Northfield has kindly filled in the breach.

The Committee extend grateful thanks to Mr. Cahill who so kindly allows us the use of the Harmonic Hall each Tuesday, and to Mr. Follett for his kindness in carrying out the necessary audit of our accounts.

As Honorary Secretary of the Linen League I take this opportunity of thanking you, Madam President, and all the members and their friends for their never-failing support to me during my first year of office.

EDITH BARDSLEY-CRAGG,

Honorary Secretary.

Report and Statement of Accounts for the year ended 31st December, 1935.

Once again it is our pleasure to present our Annual Report. We are still carrying on the good work for the Hospital. Our membership keeps steady but we have plenty of room and would welcome more ladies at our Tuesday afternoon meetings. This is our new Treasurer's first year of office, and we congratulate her on the splendid work she has done. Our Annual Outing took place in June to Eastbourne. After a very pleasant journey down, luncheon was daintily served at Stewart's Café; the whole being much enjoyed and appreciated by members and friends. Our Annual Tea took place in the Library in October, and we were very pleased to have with us on that occasion Mr. Sutton and Mr. Homewood. Our President, unfortunately unable to be with us, sent a telegram wishing us all a happy time. The Matron was also unable to be present but sent a letter of thanks to the members for their good work. Mrs. Furnivall was a very welcome visitor on that day.

Another outing was arranged, and this time a very happy day was spent at Windsor. These outings seem to bring our members more together, and they enjoy them.

Our Xmas Whist Drive held in the Library in December was a great success, and we wish to thank the local tradesmen who so generously gave the prizes; also our thanks are due to Mr. Watson who acted as M.C.

We offer grateful thanks to all the ladies of the Committee for supplying the tea, milk and biscuits for the year. During the year a raffle was held on the tables and we thank Mrs. Bird and Mrs. Cole for this effort which realised the sums of £2 6s. and 18/-. The £2 6s. is to be given to the Appeal Fund and the 18/- has been spent in the purchase of tray cloths for the Hospital. We are sorry to lose a good worker in Mrs. Turner, who has passed on.
